Rice Crispy Treats

6 Cups Rice Crispy Cereal
1 Cube of butter (1/2 C)
1 Bag of marshmallows

Melt butter on medium/low heat. Add marshmallows and stir continuously until melted on low heat. Remove from heat and stir in 6 cups of Rice Crispy Cereal.

Here is the secret to my soft and chewy treats: Pour into 9”x13” pan and do not press down. Spread it lightly with a spatula and cool them down before cutting into squares.
